The Cookies We Set

- Login related cookies

Third Party Cookies

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

This is important to you as it means that we can accurately make business predictions that allow us to monitor our advertising and product costs to ensure the best possible services at the best possible price.

- We use the Google AdSense service to serve advertising with a DoubleClick cookie, which serves more relevant ads across the web and limits the number of times that a given ad is shown to you.

For more information on Google AdSense see the official Google AdSense help and FAQ. (<https://support.google.com/adsense/>)

- Several partners advertise on our behalf and affiliate tracking cookies allow us to see if our customers have come to the site through one of our partner sites so that we can credit them appropriately and where applicable allow our affiliate partners to provide any bonus that they may provide you for making a purchase.
